PITTVILLE PUMP ROOM

Pittville Pump Room is the jewel in Cheltenham's heritage crown, a Grade I listed Regency gem. Opened in 1830, it was Cheltenham's largest and last spa to be built.

The landmark venue boasts a magnificent main hall, built as a ballroom, featuring the famed central dome decorated with ornate plasterwork. Outside, a covered colonnade overlooks the sweeping lawns and lake of Pittville Park, offering a choice of beautiful settings for those all important photographs. The light-filled main hall adorned with four grand chandeliers connects to the apse, with the spa water pump and tap that gives the venue its recognisable name.

SCAN ME

THE MAIN HALL

Maximum Capacity 200

Lined on three sides by a colonnade of Ionic pillars, the main hall at Pittville Pump Room offers enchanting, far reaching views across Pittville Park towards the lake, and is filled with an abundance of natural light. The room has a spectacularly ornate domed ceiling, from which hangs one of four beautiful crystal chandeliers. You could not ask for a better space to host a wedding that reflects the timeless elegance of the venue itself, and make your own mark on its rich history.

THE APSE

Maximum Capacity 50

A semi-circular room connected to the main hall itself, the apse is an ideal ceremony space for a more intimate feel. The surrounding Ionic columns accentuate the venue's regal sense of grandeur. The apse also contains the original spa water pump, where the waters of Cheltenham were once taken.

THE OVAL ROOM

Maximum Capacity 50

A beautifully ornate room named for its shape, the curve complimented by large windows letting in an abundance of natural light. Ideal for a small elegant ceremony, or as a private bridal suite.

THE SURROUNDINGS

Overlooking the sweeping lawns and ornamental lakes of Pittville Park, the pump room is the perfect place to step back in time. Picture the elegant dancers in the ballroom, hear the music from the bandstand, and feel the eras of rich history that surround you. The landscape around the venue provides the perfect opportunity for a mid-wedding day photoshoot, to capture the memories of your special day.

CHEL TENHAM TOWN HALL

Cheltenham Town Hall is a magnificent Grade II listed building situated in the heart of the town. The venue is a hub of cultural, live and community events. The town hall offers a choice of elegant spaces steeped in history for your wedding celebrations.

This enchanting venue boasts a host of original architectural features, including the main auditorium with its Corinthian style columns and decorative vaulted ceiling. The main hall is complimented by a choice of further rooms with impressive Regency architecture throughout, ideal for ceremonies and receptions.

THE PILLAR ROOM

Maximum Capacity 100

The Pillar Room is a popular space for mid-scale events. Named for its many iconic marble pillars, it acts as the main bar for the town hall, but can be a very flexible space to suit your needs.

THE DRAWING ROOM

Maximum Capacity 100

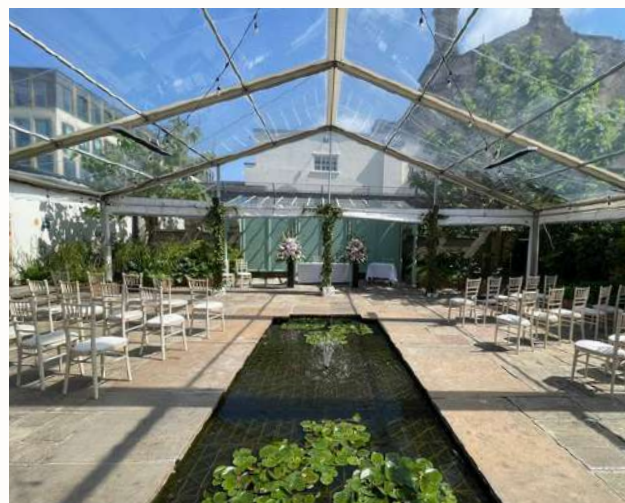

Light-filled and airy, the Drawing Room is a perfect ornate location for a ceremony, a drinks reception or a party. Its molded ceiling, gold-accented columns and large windows create a picture of elegance. With private double doors leading out onto the lawn, the Drawing Room offers unparalleled privacy, and a slice of the grandeur of the town hall.

THE HOLST SUITE

Maximum Capacity 40

The Holst Suite, used either as two small spaces or one larger room, is popular for small intimate ceremonies. Perfect for that simple but classy experience with the people who matter most to you.

THE SECRET GARDEN

“

The day in Cheltenham was wonderful, we are really happy with how everything went. The support to keep the day running to time and with the music was great, the room layout worked really well, and the event felt really special.

A number of people remarked on how good the canapes were, and we both appreciated you making sure some were set aside for us to enjoy and keep the energy levels up. Having the checklist and walkthroughs as well before the day were really helpful!

“

Pittville Pump Room is a beautiful location, not just because of its iconic history but also its unique charm. Set in a park where you can watch children playing and families enjoying their day. It's breathtaking ceiling left our guests in awe and the main hall where we had our ceremony didn't need additional dressing. Pittville Pump Room stands the test of time.

We planned our day months ago, not knowing how it would turn out, but it was exactly as we wanted. The day was filled with family and friends laughing together, an abundance of love, good food and drink, and of course, a beautiful venue.
